Claims+

When efficiency matters

At Liberty, we view claims differently. We are driven by what the client wants to see, and believe that our claims service adds value throughout a relationship, not only at the point of claim. That's why we apply Claims+.

Tailored value-add services at pre-placement, post-placement, and post-loss stages:

- Wording review
- Claims scenario workshops
- Client visits
- Key facts documents
- Large loss response
- Global newsletters
- Preferred suppliers
- Under deductible claim assistance
- Broker training
- Data analytics to help drive performance
- Claims protocols
- Tailored client onboarding
- Direct contact with claims
- Fast track claim handling
- Global knowledge with local expertise
- Empowered local staff with significant claims authority

> Guided by clients' priorities, we apply Claims+ to add value across the relationship — not just at claim time

Claims+ is tailored to you so that every interaction with our team – whether or not you experience a claim – is a positive experience.

Global reach. Financial strength. Local authority.

Distinct, complex and constantly evolving – every business is as unique as their insurance needs. To confidently progress in the face of risk and uncertainty requires a level of security you can only achieve through working with specialists.

Liberty offers a breadth of world-class insurance and reinsurance services to brokers and insured clients. We bring value and solutions to business and government organisations across Asia Pacific – helping protect what they earn, build and own.
