FOR CLAIMS MADE INSURANCE

This is a proposal for a 'Claims Made' policy of insurance. This means that the policy covers you for any claims made against you and notified to the insurer during the policy period. The policy does not provide cover in relation to:

- pollution conditions that occurred prior to the retroactive date (if one is specified) in the policy;
- any claim made, threatened or intimated against you prior to the commencement of the policy period;
- any claim or fact that might give rise to a claim, reported or which can be reported to an insurer under any insurance policy entered into before the commencement of the policy period;
- any claim or fact that might give rise to a claim, noted in this proposal or any previous proposal;
- any claim arising out of any fact you are aware of before the commencement of the policy period;
- any claim made against you after the expiry of the policy period.

However, the effect of Section 40(3) of the Insurance Contracts Act 1984 (Cth) is that where you become aware, and notify us in writing as soon as is reasonably practicable after first becoming aware but within the policy period, of any facts which might give rise to a claim against you, any claim which does arise out of such facts shall be deemed to have been made during the policy period, notwithstanding that the claim was made against you after the expiry of the policy period.

DISCLOSURE

Statement pursuant to Section 25(5) of the Insurance Act (Cap 142) or any amendments thereof: you are to disclose in the application, fully and faithfully, all the facts which you know or ought to know, otherwise we may be entitled to reduce our liability under the policy or cancel the contract. In the case of fraudulent non-disclosure, we may have the option of avoiding the contract from its beginning. In either case, you may receive nothing from the policy.
